

Patricia Beach, M.S., CIH, REA

Patty is currently a Sr. Partner with Harris & Lee Environmental Sciences, LLC an environmental and occupational health and safety consulting firm in Northern California. H&L provides turn-key service to numerous industrial clients, with an emphasis and specialization in biopharma. Prior to joining H&L, she was the Associate Director of Occupational Health and Industrial Hygiene at the former Chiron Corporation, a large Biopharmaceuticals firm in the San Francisco Bay Area. She has over 16 years of experience in the practice areas of environmental toxicology, risk assessment and industrial hygiene. Patty holds a B.S. in Environmental Toxicology from the University of California at Davis, and an M.S. in Environmental Health Sciences (Industrial Hygiene) from the UCLA School of Public Health. She is a Certified Industrial Hygienist. She is a Registered Environmental Assessor in the State of California. Patty is active in the Northern California Section of the American Industrial Hygiene Association, currently serving as the Past-President.
