

## **Bio for Robert Ku**

Robert (Bob) Ku started his professional career as an OSHA inspector for the State of Michigan over 30 years ago. Since then, he has worked as a consultant for ENVIRON Corporation in Washington DC and in the San Francisco Bay Area, and for pharmaceutical company, Syntex Corporation, in Palo Alto, California. He co-founded SafeBridge Consultants in Mountain View, California 12 years ago and is a Principal Toxicologist there. The company provides occupational health and safety and product safety support primarily to the pharmaceutical and biotech industries. He earned his Ph.D. at the University of Texas and is board-certified in both toxicology and industrial hygiene.
