

CALIFORNIA INDUSTRIAL HYGIENE COUNCIL

March 20, 2009

Senator Alex Padilla
State Capitol, Room 4038
Sacramento, CA 95814

RE: SUPPORT FOR SB 23 (Padilla)

On behalf of the California Industrial Hygiene Council (CIHC) I am writing to inform you of our support for your SB 23 related to manufactured housing. Your bill, which requires an owner or operator of a mobilehome park or a recreational vehicle park to adopt and post notice of an emergency preparedness plan, will increase the protection of park residents.

The CIHC was founded in 1990 to establish a legislative presence in California representing the Industrial Hygiene profession, and is affiliated with the American Industrial Hygiene Association (AIHA), a 12,000 member organization. The field of Industrial Hygiene is dedicated to the anticipation, recognition, evaluation, and control of occupational and environmental health hazards. CIHC represents the five Local Sections of AIHA in California and its mission is to bring good science to the legislative and/or regulatory table which impacts the health of workers and the public.

Sincerely,

Catherine Barankin
CIHC Director of Public Policy
