Sponsorship and Exhibitor Opportunities:

The 2018 CIHC Professional Development Seminar offers the premier opportunity in the western United States to showcase your company's products and services to the occupational and environmental health and safety (OEHS) community, many of whom manage multi-million dollar operating budgets with vendors, consultants, and product suppliers.

This year's theme is "OEHS – Making a Difference". There are a limited number of event sponsorships presently available. The various opportunities to market your services and products are attached and provide various levels of visibility to the attendees. Since the exhibit spaces have historically gone very quickly, act now by completing and mailing in the attached form.
