## Sponsorship and Exhibitor Opportunities:

The 2019 CIHC Annual Professional Development Seminar offers the premier opportunity in the western United States to showcase your company's products and services to the occupational & environmental health and safety (OEHS) community, many of whom manage multi-million dollar operating budgets with vendors, consultants, and product suppliers.

This year's event will be held at the Intercontinental Mark Hopkins Hotel in San Francisco. CIHC has expanded the exhibiting space and we hope to see you there. Specific space location (table) is reserved based on the order in which exhibitor fee is paid. The various opportunities to market your services and products are attached and provide various levels of visibility to the attendees. Since the exhibit spaces have historically gone very quickly, act now by completing and mailing in the attached form.
