

**Chia-Chia Chang, MPH, MBA, Coordinator**

**Office of *Total Worker Health*® and Healthy Work Design  
and Well-Being Cross Sector Program, NIOSH**

**Chia-Chia Chang, MPH, MBA** is a Coordinator in the National Institute for Occupational Safety and Health (NIOSH) Office of Total Worker Health® and the NIOSH Healthy Work Design and Well-Being Cross Sector Program. She collaborates with partners to share research and promising practices for advancing worker well-being and led the development of the NIOSH Worker Well-being Questionnaire (WellBQ). Chang's previous work in the NIOSH Office of the Director includes leading enrollment and outreach for the World Trade Center Health Program and serving as assistant portfolio coordinator for the Emergency Preparedness and Response Program. Prior to joining NIOSH, she worked on disability policy at the Social Security Administration.
