33rd CIHC Professional Development Seminar
December 3-5, 2024
The Westin San Jose | San Jose | CA

The 2024 CIHC Annual Professional Development Seminar offers the premier opportunity in the western United States to showcase your company's products and services to the occupational & environmental health and safety (OEHS) community, many of whom manage multi-million dollar operating budgets with vendors, consultants, and product suppliers.

This year's event will be held at The Westin San Jose in San Jose, CA. CIHC will be hosting the exhibiting space and we hope to see you there. Specific space location (table) is reserved based on the order in which the exhibitor fee is paid. The various opportunities to market your services and products are attached and provide various levels of visibility to the attendees. Since the exhibit spaces have historically gone very quickly, act now by completing and mailing in the attached form.
